EfstonScience Star Party 2009

Friday June 19 to Sunday June 21
Gordon's Park, Manitoulin Island

EfstonScience 2009 Star Party Road Trip

Join the staff and friends of EfstonScience for an incredible astronomy experience to celebrate UNESCO's International Year of Astronomy... camping and observing under the beautiful night skies of Manitoulin on site in the Dark Sky Preserve at Gordon's Park.

The Dark Sky Preserve offers exceptional 7.5+ magnitude dark skies – the darkest in Ontario – no light pollution, + 360 degree observing, horizon to horizon.

\$249⁹⁵ per person

**DEADLINE: Completed registration form
with full payment
required by May 20th, 2009**

Dark Sky Preserve Gordon's Park, Manitoulin Island

Camping is rustic but comfortable and takes place in the fields & meadows on site in the dark sky preserve. Some picnic tables & cook stands, hauled water, clean privies, children's playground & group campfire pit. Easy access via private gravel road. Eco showers up front at main building. Not a camper? Alternative accommodations are available: Stargazing cabin, TiPi tents, camping cabins and campsites with hydro. There are extra fees for these alternatives and must be arranged in advance - please ask Bruce at EfstonScience for details. Alternative Accommodations are available - Stargazing Cabin which is located in the dark sky preserve and Tipi Tenting, Camping Cabins, B & B and campsites with hydro that are available up front.
