

Tuesday Two For One Mini Putt (July & August)

Adults \$7.50 + Tax, 12 & Under \$6.50 + Tax

Join us on Tuesdays for our "Two for One" Mini Putt Specials. Putt through tree trunks, around rocks & under the ground on this unique & challenging 18 hole miniature golf course set in the shade of a cedar grove. Have a mini putt challenge - bring your brother, bring your sister, bring your family & bring your friends. Fun for Everyone!

Thursday Nights (July & Aug) are Astronomy Nights

\$15.00 & tax per person

This program includes an orientation into astronomy, a review on planets, northern lights and solar systems, and instructions on the use of a planisphere (star map) to find objects in the night sky. Participants will learn how to star hop, view with the naked eye, and have the opportunity to try Bausch & Lomb wide-angle binoculars and observe through the Park's 8 Inch Dobsonian Telescope. Call 705-859-2470 to register.

Sunday Afternoons (July & Aug) are "Walk A Fossil Reef"

\$15.00 & tax per person

Join us for an exciting & educational "Walk a Fossil Reef" every Saturday afternoon during July & August at Gordon's Park. The park is located on a Drumlin & is also a featured stop in the University of Waterloo's book "Manitoulin Rocks". Discover and see invertebrate corals [tabulates (colonial) and rugose (solitary)], stromatoporoids, bryozoans, and echinoderms (crinoids), molluscs (nautiloids, bivalves, gastropods, cephalopods), brachiopods, echinoderms (crinoids) and more on the historical reef in the park. Call 705-859-2470 to register.

Public Observing Sessions & Laser Guided Sky Tours

\$15.00 & tax per person

These sessions are open to the public and are held in the Royal Astronomical Society (RASC) designated dark sky preserve at Gordon's Park during Stargazing Manitoulin & the Manitoulin Star Party. The evening includes entrance to the dark sky preserve, a laser guided sky tour and observing through telescopes and with binoculars. Call 705-859-2470 to register.

Moonlight Hike & Wolf Howl, July 28 & August 5, 2012

\$15.00 & tax per Adult

\$35.00 & tax per Family (2 Adults, Children Under 16)

The Moonlight Hike and Wolf Howl is an entertaining and educational evening that includes a guided nature hike with a focus on wolves and their habitat. Participants will call for wolves and use Parabolic Ears and Bausch & Lomb Binoculars to search for evidence of wolves, wolf tracks and other signs of wildlife. A social wolf howling competition around the campfire with really great wolfy prizes follows the hike. Call 705-859-2470 to register.

Saturday Night Astronomy (Civic Holiday Weekend), Saturday, Aug. 4, 2012

\$15.00 + tax per person

Special Saturday Night Astronomy Session (Civic Holiday Weekend) that includes an orientation into astronomy, a review of planets, northern lights and solar systems, as well as instructions on the use of a planisphere (star map) to find objects in the night sky. Participants will learn how to star hop, view with the naked eye, & have the opportunity to try Bausch & Lomb wide-angle binoculars & observe through the Parks 8" Dobsonian Telescope. Call 705-859-2470 to register.

Focus on Forests, August 26, 2012

\$15.00 & tax per Adult

\$35.00 & tax per Family (2 Adults, Children Under 16)

The Focus on Forests event is a guided educational nature hike with a focus on the Forest in the park. Participants will learn about trees, animals, mushrooms, edible wilds and about the different eco systems that make up beautiful Gordon's Park. Call 705-859-2470 to register.
